

2 Station Thermal ECR

Fiscal Version Available

ER-5215M/5240M/5200M

Multi-Line LCD
More powerful S/W

ER-5200M SERIES

Best Features

Clerk Interrupt & Check Tracking

Clerk interrupt allows different operators to record rounds of drinks at various stages. Each operator can enter and add to checks or tables in a restaurant. Ability to separate checks by splitting items from a customer bill or to add checks to an existing bill.

LCD Display

Backlit LCD shows all transactions at a glance. This feature allows you to adjust operator's visibility in dim store conditions.

Easy Paper Loading

You can meet drop in type printer.

Charge Posting

Customers simply maintain charge accounts. It can be used in resorts, campgrounds, and small motels.

Memory Allocation

Users can optimize their memory size. Anyone can easily change PLU, clerk, and check table size using this unique function.

Mix & Match Table

This function uses an automatic discount table for easy facilitation of special promotions.

16 Char. x 2 lines LCD

More visible environment can be provided by Multi Line LCD.

A fabulous system for any complicated environment.

The ER-5200M Series is powerful, speedy, and silent. All the features you need to improve your business are here in the ER-5200M series.
